## Congratulations to Darwen Kull our Sodexo Experience Winner.

The Sodexo Experience is an important piece of how we create exceptional experiences for you and the entire campus community.

No matter the need, Dar is more than happy to assist. Despite ever-changing policies and procedures, Dar shows the ability to learn and function quickly and is never reluctant to take on new challenges. Darwen is always up beat with the changes and views them as a new challenge. Darwen enjoys talking with the students / customers each day, her goal is to make their day a better day.

Thank you to Darwen Kull for making everyday a better day!
